Dear Colleague,

If you are looking for a sales expert that can help you actually increase your sales, Randall Munson is the person you want. Randall motivated every member of our sales team in his powerful workshop, "The Magic of Selling," at our corporate sales meeting.

Randall's unique approach helped our team understand the specific actions to take to improve our sales and what it takes to 'create desire' in a sales opportunity.

He received rave reviews from all of our sales professionals - those in North America as well as also those in Europe, Africa, and the Middle East. Our CEO told Randall his breakthrough sales insights are "right on target." In fact, he is so enthused about Randall's ideas that he is bringing Randall back to speak to every person in our company.

If you have the faintest doubt about the value of Randall Munson's outstanding sales programs, please call me.
